**AGREEMENT:** The legal property owner shall be liable for services and associated fees/charges as provided by the Wickiup Water District. Upon execution of this application, the applicant acknowledges the receipt of a copy of the rules, regulations and rates of the Wickiup Water District, and hereby agrees to abide by all such rules, regulations, and rates. Applicant understands that there is a one-year time limit on the approved application and that if not paid in full within that time, the application will become void and a new application must be submitted. Applicant understands that a prior approval does not guarantee another. The boring fee is an estimate. If the actual cost is less than the fee collected, the applicant will be reimbursed the difference. If more, the applicant will be responsible for the additional amount. The above rates may increase without notice. Therefore, the fee to be paid will be the fee in effect at the time of payment, not the time of approval.
