Wickiup Water District is a "special district" created and based on the laws passed by the State Legislature. A special district is created by members of the community to provide an essential local services and infrastructure for a specific need, such as fire protection, parks and recreation, power, and water. Special districts are accountable to the people they serve and consist of locally elected or appointed board members.

Established on September 19, 1938, the Wickiup Water District continues to be committed to ensuring the best quality water is delivered to the homes, schools, and businesses in our community, in the most efficient and effective manner. We take great efforts to continue to improve the water treatment and distribution process while protecting our local water resources. Our constant goal is to provide safe and dependable drinking water to our community.
